## MIAM Fall Conference

**October 17-18, 2024**

Doherty Hotel, 602 N. McEwan, Clare, MI

2 Day Fire Sprinkler System Plan Review – Jeff Hugo, NFSA  
2 Cr A&R, 11 Cr Plan Review (Completes Plan Review requirement for 2024-2027 Cycle)

### You must attend both days to get credit – No one-day credits

This two-day course provides attendees with vital information on how to conduct the plan review process for water-based fire protection systems. Utilizing the requirements of NFPA 13, participants will be guided through an actual review of sprinkler system plans and calculations. They will discuss the importance of employing a systematic review process and identify the documents required for a complete plan review. Finally, participants will review and discuss a submittal of the hydraulic calculations presented with the plans. Discussion points include the process of hydraulic calculations, and identification of the key pieces of information, and the common errors that are made.
